

SUGGESTED HOTELS FOR YOUR STAYING IN TORINO

We suggest you to spend at least TWO days in Torino (from Saturday afternoon, till Sunday late evening or, better, till Monday afternoon).

Therefore, book for ONE or TWO nights minimum.

We STRONGLY RECOMMEND you to book the Hotel before the end of July. In October, many international cultural events will take place in Torino and it will be difficult to find the hotel in the preferred location (near PORTA NUOVA railway station) and at a reasonable price.

You have to book yourself the Hotel via internet official website (or you may prefer www.tripadvisor.it, www.trivago.it, www.booking.com).

Below is a list of Hotels that are 0.1-1.0 km distant from the railway station Porta Nuova. Approx price per night (including breakfast and wifi) is indicated. You have to add taxes (about 5-8 Euro/night including VAT). Check on website for details and offers.

MAKE SURE to check carefully about commodities, facilities, and cost for additional services. Also, check for guest's reviews.
