

AWARDS BEST COMMUNICATION

- Three Best Oral Communication (ONLY Post-Docs < 40 years old)
- Three Best Short Communication (ONLY PhD students)

AWARDS - PRIZES - TRAVEL GRANT and CIB Fellowship

Deadline for application October 15th 2026

- **Award sponsored by Comoli-Ferrari** in memory of Giuseppe and Giampaolo Ferrari (500 Euro) to Post-Doc < 40 years and PhD students (most original research in the field of cancer)
- **Award sponsored by the Journal of Cancer Metastasis and Treatment: JCMT** Special Award for Best Oral Communication and JCMT Award for Best Short Communication (respectively for post-doc and PhD young presenters; 300 USD each).
- **Two Registration fee (each 450 Euro) granted by Consorzio Interuniversitario per le Biotecnologie** to young researchers < 35 years (PhD students and post-doc) affiliated to CIB

Selection Criteria for Awards:

1. Research Work: the originality and quality of research
2. Presentation: the presenter's quality of communication (ability to convey the research and its results to the audience; keeping in time)
3. For the travel grant the priority is given to candidates from distant countries
4. CIB fellowship: reserved to PhD and Master's students affiliated with CIB unites

Selection and Announcement of Awards:

The selection of proposals will be made by the Conference Organizing Committee composed of academic representatives.

The announcement and Award distribution will be done **in presence** at the closing ceremony of the conference. The winner must be present at the Award Ceremony; in case of absence, the second in the ranking will be awarded.
